A close-up portrait of a man with a short, dark haircut and a beard. He is wearing a bright yellow-green high-visibility shirt. A large, bright red tomato is balanced on his nose. He is looking slightly to the right of the camera with a neutral expression. The background is a plain, light-colored wall. To the right, in the background, there is a black piece of equipment, possibly a power tool or a control panel, with a red light indicator.
